

SYRACUSE GLASS COMPANY SHAPE CATALOG

The Right hand columns indicate dimensions we need.
All drawings are "OUTSIDE LOOKING IN".

These are the shapes our order entry system can handle.

Indicate on the edges of the drawings for edgework Identification. Use this for indicating which edges get edgework if you need different treatments on different sides.

Our production software can handle many others. If you don't see the shape you need here, fax us a sketch. These orders are written as special shapes ("00").
